

National Youth Apprenticeship week 2024

The **Department of Labor** is hosting its first ever National Youth Apprenticeship week, allowing organizations the opportunity to recognize apprenticeships, and the important work that young people are doing to shape the future of our workforce

PROGRAM OF EVENT MAY 8-10, 2024

Kick-Off Event: Virtual Town Hall Meeting

Join community leaders and stakeholders, in a discussion on how apprenticeship initiatives help to advance equity and bridge the wealth gap with innovative programming.

MAY 8

Student Health Fair & Open House 11:00 am - 1:00 pm

Discover resources dedicated to enhancing your physical and mental well-being. Explore interactive booths offering health screenings to informative sessions on nutrition, fitness and stress management.

MAY 9

Youth Medical Scholars Appreciation Day & Open House for Community Leadership, and Dignitaries, 11 00 am - 1:00 pm

Get to know our Youth Medical Scholars as they share about their experiences in the Apprenticeship program. Honors for outstanding academic achievements will also be presented during the event.

MAY 10

Guest Speakers: for the Town Hall Meeting

Dr. Alberto J. Roman, President, ELAC
Dr. Miguel Dueñas, Vice President, Student Services, ELAC
